

DECLARATION OF COMPLIANCE WITH MLC 2006 AMENDMENTS (2022)

Version: 1.0

Issue Date: [DD/MM/YYYY]

Document No.: GBISR-MLC-DECL-2025

(Note: This Declaration must be attached to the vessel's Maritime Labour Certificate.)

SHIP DETAILS

- **Name of Ship:** [Ship Name]
- **IMO Number:** [IMO Number]
- **Gross Tonnage:** [Gross Tonnage]
- **Flag State:** Guinea-Bissau
- **Shipowner:** [Registered Owner Name]

1. Amendments to Regulation 3.1 of MLC 2006 (Accommodation and Recreational Facilities)

- Paragraph 17 of Standard A3.1:**
Seafarers' recreational facilities, amenities, and services, including social connectivity, shall be provided onboard and comply with Regulation 4.3 regarding health and safety protection and accident prevention.
- Paragraph 4(j) of Guideline B3.1.11:**
Seafarers must have reasonable access to ship-to-shore telephone communications where available, with any charges being reasonable.
- Paragraph 8 of Guideline B3.1.11:**
Shipowners should, where practicable, provide internet access onboard, with any charges being reasonable.

2. Amendments to Regulation 3.2 of MLC 2006 (Food and Catering)

- Paragraph 2(a) of Standard A3.2:**
Food and drinking water supplies onboard must be free of charge, taking into account the number of seafarers, their religious and cultural dietary preferences, and the voyage's duration and nature. The supplies must be of sufficient quantity, nutritional value, quality, and variety.
- Paragraph 2(b) of Standard A3.2:**
The catering department must be organized and equipped to provide varied, balanced, and nutritious meals hygienically.

c. Paragraph 7(a) of Standard A3.2:

The Master must conduct frequent documented inspections of food and drinking water supplies regarding quantity, nutritional value, quality, and variety.

3. Amendments to Regulation 4.3 of MLC 2006 (Health and Safety Protection and Accident Prevention)

a. Paragraph 1(b) of Standard A4.3:

Reasonable precautions must be taken to prevent occupational accidents, injuries, and diseases, including the provision of appropriately sized personal protective equipment (PPE) and measures to reduce exposure to harmful substances.

b. Paragraph 5(a) of Standard A4.3:

All seafarer deaths occurring onboard vessels flying the Guinea-Bissau flag must be investigated, recorded, and reported annually to the ILO Director-General.

4. Amendments to Appendices A2-I & A4-I (Financial Security Certificates)

a. Appendix A2-I:

Certificates of financial security under Regulation 2.5 must include the name of the shipowner or, if different, the registered owner.

b. Appendix A4-I:

Certificates of financial security under Regulation 4.2 must also include the name of the shipowner or, if different, the registered owner.

DECLARATION BY SHIPOWNER

I, the undersigned, hereby declare that the above-mentioned vessel complies with the 2022 Amendments to the Maritime Labour Convention (MLC 2006) as required by the Guinea-Bissau International Ships Registry (GB ISR). All necessary arrangements have been made to ensure full compliance with the amendments.
