The image shows a screenshot of the Waypoint login page. On the left, there is a large background image of a city harbor at dusk, with a ship in the water and a network diagram overlaid. The network diagram consists of several hexagonal nodes connected by lines. The nodes contain various icons: a smartphone, a document, a Wi-Fi symbol, a person, a gear, and a location pin. On the right, there is a blue sidebar containing the login form. The form has a title 'Sign into your WayPoint Account', followed by a 'Username' field with a red error message 'The Username field is required.', a 'Password' field with a red error message 'The Password field is required.', and a 'Login' button. Below the button are links for 'New to WayPoint? Request an Account!' and 'Forgot your password?'. At the bottom of the sidebar, there is a disclaimer: 'By signing in or using LISCR website and software products or services, you are agreeing to our Privacy Policy' with a link to the policy. Social media icons for LinkedIn, Twitter, Facebook, and YouTube are also present, along with the website URL 'www.liscr.com'.

You will be able to review your order to know if all sections are properly completed. Sections that are not complete will list the task that are still required to be completed before the request can be submitted for processing. In addition, the tabs where these tasks need to be completed will have a red underline. If the final review has no additional task to complete you can:

- Add to Cart - in order to submit the request for processing and issuance of requested certificates
- Save the work order for submission later by clicking the "Continue" button. You can locate the work order request later from the dashboard by clicking on the "Pending Orders" icon.

Submission of work order requests via the Cart

Completed work order requests that are ready for processing are submitted through the Cart

- In "My Cart" you can view the requests that will be submitted
 - It is possible to remove requests from the cart by clicking the „remove“ button. They can be added later via the „Pending Orders“ icon
- Your email address will appear in the eDelivery email address field. You can change this email address to the email address that you would like messages containing the issued documents and invoices to be sent. Please note that you will receive an email for each vessel that you request certificates for via the payment cart. Please ensure the following email address has been added to your SPAM filter: vesselcertificates@liscr.com
- Please indicate the method of payment
 - Credit Card Payment - you will be taken to the Credit card payment screen. Complete the payment details on this screen and click "Process Payment"
 - Wire Payment - For wire transfer payments, please provide payment details including the effective date of the payment. You can also upload a copy of the wire payment confirmation

Once you have submitted your work order request, you can view the current status via the "Order History" icon on the dashboard. "Active" orders have been processed and requested documents issued.
