MARINE SECURITY BULLETIN –10/2026

Dear Shipowners, Operators and Masters

Subject: Security incidents in approaches to Strait of Hormuz

On 03 May 2026 at 1142 UTC, a Liberian registered cargo vessel carrying a cargo of soyabeans and bound for BIK, Iran, while attempting to enter the Strait of Hormuz (SOH) from the East was attacked by multiple small craft in approximate position 26°31.3'N 056°53.2'E. There was no VHF challenge or communication prior to the incident. While the vessel sustained damage to the bridge and accommodation windows, all navigation equipment and machinery remain intact and operational and there were no injuries to the crew and no pollution reported. The vessel has altered course and is proceeding safely to the port of Fujairah, UAE.

In another incident, a Liberian registered oil tanker while attempting to transit the SOH, late evening on 03 May 2026 was attacked by unknown projectiles about 78 NM north of Fujairah, UAE and was later abandoned in position 26°30.7'N 056°34.9'E. It was reported that the engine room was on fire and vessel was not under control. There were no injuries to the crew and no pollution reported.

Liberian flagged vessels transiting the Arabian Gulf, Straits of Hormuz, Gulf of Oman and North Arabian Sea (affected area) are to operate at security level 3 and implement all protective measures in their Ship Security Plan. Vessels in the ports of the affected area are required to act upon the security level set by the Designated Authority at those ports.

Recommendations

Mariners are strongly advised to refer to the Joint Maritime Information Centre (JMIC) advisories: <https://www.ukmto.org/partner-products/jmic-products> for additional guidance to the threats, mitigations and considerations prior to transiting this area.. Vessels operating in the Strait of Hormuz approaches, Gulf of Oman, and adjacent waters are advised to maintain heightened awareness, ensure maximum bridge readiness, and exercise appropriate caution with bridge-to-bridge VHF communications.

All owners, operators, and crews should remain cognizant of the elevated threat in the affected area and perform detailed, vessel-specific, voyage- specific and activity specific risk assessments for any operations or transit through the affected area.

All vessels should report to the UKMTO and register with the Maritime Security Centre for the Indian Ocean (MSCIO) in accordance with industry BMP (Best Management Practices) and take advice from the coalition forces operating in the area. Best Management Practices for Maritime Security ([BMPMS](#)) will continue to provide the necessary guidance for shipping to ensure threat and risk assessments are developed for every voyage to mitigate the risks presented by remaining security threats in the region. The shipping industry will continue to monitor and advise on maritime security threats to assist the safe transit of vessels and the seafarers.

UKMTO acts as the primary point of contact for merchant vessels and liaison with military forces in the region. Vessels are encouraged to register with UKMTO and report their positions (By email daily at 08.00 UTC) whilst operating in the area.

The MSCIO is the planning and coordination centre for the EU Naval Forces (EU NAVFOR). MSCIO encourages companies to register their ships' movements before entering the Voluntary Reporting Area (VRA).

All vessels transiting the Arabian Gulf, Strait of Hormuz, Gulf of Oman and North Arabian Sea are also encouraged to report to the Information Fusion Centre – Indian Ocean Region (IFCIOR), this is a voluntary reporting measure that promotes cooperation, stability and communication with partner stakeholders in the region as well as aligns with the most recent measures published in BMP MS. Vessels with voyages through this area can use the [Vessel's Reporting Form](#) at IFCIOR's website.

Contact Information

In an emergency, vessels transiting the Red Sea, Gulf of Aden and Arabian Sea, should contact NAVCENT Battle Watch Phone: +973-1785-3879; Naval Cooperation and Guidance for Shipping (NCAGS) Primary Watch Floor Phone: +973-1785-0033, Contingency Mobile Phone: +973-3940-4523, Email: m-ba-cusnc-ncags@us.navy.mil.

Contact MSCIO prior to transiting the Western Indian Ocean, the Somali Basin, Gulf of Aden, Gulf of Oman and the Red Sea.

The contact details of MSCIO are:

Maritime Security Centre – Indian Ocean (MSCIO) Email

postmaster@mscio.eu

Telephone +33 (0) 298 220 220 +33 (0) 298 220 170

Fax +44 1923 958520 Website www.ukmto.org

When transiting the Western Indian Ocean, the Somali Basin, Gulf of Aden, Gulf of Oman and Red Sea.

Register their vessels with UKMTO

Email: watchkeepers@ukmto.org and ukmto@eim.ae

Phone: +44 - 2392-222060, +971-50-552-3215

Fax +44 1923 958520
