A. EXPLANATION OF REGISTRATION REQUIREMENTS

1. REGISTRATION OF OWNER in Liberian Corporate Registry:

A vessel registered in Liberia must be owned by a Liberian entity (Corporation, Limited Liability Company, Limited Partnership, etc.) or by an entity existing in another jurisdiction that registers in Liberia as a Foreign Maritime Entity (FME). Alternatively, an entity existing in another jurisdiction may re-domicile into Liberia for free.

The registration of the vessel's owner must be completed with LISCR's Corporate department (corporate@liscr.com) or a regional office of your choice before the vessel can be registered in Liberia.

Allow at least three (3) working days to register a Liberian entity or an FME prior to registering the vessel

Name availability: Please check the availability of the intended name of the vessel owner. Names that are identical or too similar to an existing Liberian entity cannot be accepted.

Important: *The name of the vessel owner in the vessel registration and mortgage recording documents must match the name of the vessel owner registered in Liberia.*

2. APPLICATION FOR REGISTRATION:

A copy of a duly executed Form RLM-101A.

3. EVIDENCE OF AUTHORITY (if applicable):

A copy of duly executed and acknowledged Power of Attorney, or a copy of a Corporate Resolution or Minutes of the Meeting, authorizing one or more named persons to act on behalf of the owner as attorney-in-fact to execute and submit application for registration of the vessel is required.

Note: *Directors and officers of the owner do not have to submit their evidence of authority.*

4. PROOF OF OWNERSHIP:

A copy of a duly executed and notarized/acknowledged Bill of Sale (BOS) stating the name of the registered owner as the buyer.

Signature(s) acknowledgement is permitted by a Liberian Special Agent, Liberian Consul, notary public, or other officer authorized to administer oaths by the law where acknowledgment is made. Consularization or apostille are not required by Liberia.

BOS format: Liberia does not require any specific format of BOS. One of the printed forms commonly used by the international maritime community is acceptable (BIMCO, UK/MCA, Norway, Panama etc.).

BOS Not Applicable (Flag Transfer without Change of Ownership): At the time of reflagging, Liberia will accept as proof of ownership a copy of Certificate of Ownership and Encumbrance (COE), or Transcript of Registry, or Certificate of Deletion issued by the previous flag if the vessel is transferring to Liberia without change of ownership.

5. DELETION CERTIFICATE / proof of free of recorded liens and encumbrance:

A copy of Certificate of Deletion issued by the previous flag must be submitted.

If Certificate of Deletion is not available at the time of re-flagging into Liberia, then a copy of Certificate of Ownership and Encumbrance (COE), or a Transcript of Register issued by the previous flag is required along with undertaking by the Applicant to provide a copy of Certificate of Deletion within thirty (30) days from the date of registration of the vessel in Liberia.

Declaration of Non-Registration: A copy of a duly executed Declaration of Non-Registration must be submitted in the event there is a gap in time between the date the vessel is deleted from the previous flag and the date it registers in the Liberian Registry.

6. DECLARATION OF NO-MOVEMENT:

A copy of a duly executed letter/Declaration from Owner requesting the Flag Administration to set the vessel's status to "lay-up". The letter must include the vessel's Owner, the name and official number of the vessel, the estimated date the vessel will enter lay-up status, the location of layup and stating that the vessel will not be moved or navigated while the class is temporarily suspended while in layup.

B. EXPLANATION OF TECHNICAL REQUIREMENTS

1. CLASS:

- a. A statement or affidavit issued by the vessel's current Classification Society confirming the vessel is classed. It must be received at least one (1) working day in advance of registration closing date.

Note: The above requirement does not apply to vessels under ABS, BV, CCS, DNV, IRS, KR, LR, NKK & RINA.

- b. **VESSELS TEN (10) years of age or older OR vessels of any age with poor PSC performance:**

In addition to the statement or affidavit required by item "a." above, copies of the most recent Statutory Renewal, Class Special and Drydock (bottom) Narrative Survey reports must be submitted for review.

In addition, vessels over 15 years of age (or vessels of any age with poor PSC performance) are subject to a pre-registration inspection.

- c. **For VESSELS that are 20 years of age or older:**

In accordance with Liberian Maritime Law (RLM-107), Chapter 2 Paragraph 51(4), vessels 20 years of age or older are not acceptable for Registration. No waivers under Paragraph 51(6) of the same Chapter will be granted for these vessels.

- d. **For vessels changing class at the time of Flag Transfer*:**

All overdue surveys are to be completed, and all conditions of class closed during the change of class and flag surveys, unless the Administration authorizes postponement of the conditions of class. This will be verified prior to finalizing the vessel's registration.

* Vessels in laid-up status will be allowed to register with overdue surveys and pending conditions of class. All overdue surveys are to be completed, and all conditions of class closed during the reactivation surveys carried out by the gaining class society. Upon reactivation, postponement of any condition of class must be authorized by the Administration.

Note: For non-Liberian vessels, Classification Societies will not provide the statement or affidavit or any other class documents to LISCR without authorization of the current vessel owner/operator. If the applicant/party registering the vessel in Liberia is a buyer of the vessel, the applicant should request the seller to provide this authorization to the Classification Society.
