SEE EXPLANATION OF REQUIREMENTS ON THE NEXT PAGE

In case of any questions, please contact Registrations@liscr.com or any LISCRC office.

A. EXPLANATION OF REGISTRATION REQUIREMENTS

1. REGISTRATION OF OWNER in Liberian Corporate Registry:

A vessel registered in Liberia must be owned by a Liberian entity (Corporation, Limited Liability Company, Limited Partnership, etc.) or by an entity existing in another jurisdiction that registers in Liberia as a Foreign Maritime Entity (FME). Alternatively, an entity existing in another jurisdiction may re-domicile into Liberia for free.

The registration of the vessel's owner must be completed with LISCR's Corporate department (corporate@liscr.com) or a regional office of your choice before the vessel can be registered in Liberia.

Allow at least three (3) working days to register a Liberian entity or an FME prior to registering the vessel.

Name availability: Please check the availability of the intended name of the vessel owner. Names that are identical or too similar to an existing Liberian entity cannot be accepted.

Important: *The name of the vessel owner in the vessel registration and mortgage recording documents must match the name of the vessel owner registered in Liberian Corporate Registry.*

2. APPLICATION FOR REGISTRATION:

A copy of a duly executed Form RLM-101UC.

3. PROOF OF OWNERSHIP:

A copy of a duly executed letter from the shipyard or builder of the vessel (or similar document), confirming:

- a. that a contract has been signed between the proposed owner and the yard,
- b. the date of such contract,
- c. the vessel's hull number,
- d. the keel laid date (actual or estimated),
- e. the expected date of delivery, and
- f. the estimated net tonnage, gross tonnage, and DWT.

4. EVIDENCE OF AUTHORITY (if applicable):

A copy of duly executed and acknowledged Power of Attorney, or a copy of the Corporate Resolution or Minutes of the Meeting, authorizing one or more named persons to act on behalf of the owner as attorney-in-fact to execute and submit application for registration of the vessel is required.

Note: *Directors and officers of the owner do not have to submit their evidence of authority.*
