TECHNICAL LETTER 2021-05 03 December 2021

Subject: Exemption Certificates and Multiple Load Line Certificates - Blanket Authorization

This technical letter provides guidance on and authorizes the class societies recognized by the Liberian Administration to carry out the following statutory services, without prior permission or authorization from the Administration, as noted below:

1. Issuance of five (5) month interim Exemption certificates, exempting vessels from:
 - a. fitting a fixed gas fire-extinguishing system for cargo holds, in accordance with SOLAS Chapter II-2, regulation 10. 7.1.4.
 - b. the immersion suits required by SOLAS Chapter III, Regulation 32.3, 2009 MODU Code, 10.12, 1989 MODU Code, 10.11, or Liberian National MOU Standards (RLM-293; see Marine Notice TEC-009 Rev. 07/20) Chapter II, Section 8.7 or Chapter III, Section 6.1, for vessels constantly engaged on voyages in warm climates (see Marine Notice SAF-007 Rev. 07/20).

Recognized class societies are requested to forward a copy of five (5) month interim Exemption certificate issued, along with the full term Safety Equipment or MO(D)U Safety certificate as applicable to RegsandStandards@liscr.com for our issuance of the full term Exemption certificate.

2. Issuance multiple full term Load Line Certificates, in accordance with Marine Notice TEC-004, Rev. 07/20.

Recognized class societies are requested to forward copies of each full term Load Line certificate issued to RegsandStandards@liscr.com for our issuance of the Load Line Alteration Book (LLAB).

If you have any questions on this Technical Letter please contact Regsandstandards@liscr.com.

Regards;

Anthony Dupree, Jr.
